

RYARSH PARISH COUNCIL

Parish Council Updates

- The Parish Council agreed to support the Village Hall by paying for the grass cutting of the Recreation Ground again in 2022
- The Parish Council is setting up a scheme, Ryarsh in Bloom. The idea is that residents are encouraged to become involved throughout the year, and care for their property or an area of the village. This may be with bedding displays, hanging baskets, window boxes, gardening, trees, creating areas for wildlife, caring for the environment, litter picking etc. There will be a competition, with judging taking place at a date to be announced. Full details will be circulated nearer the time, but we hope everyone is encouraged to take part and make Ryarsh an even more beautiful and friendly place to live. This project will be run by Cllr Caroline Martin, who already runs the Spring Litter Pick in the Village which is very popular and widely supported.
- Due to supply issues, the delivery of the new picnic bench for the play area has been delivered. Having been offered a free upgrade, the bench has now arrived. It will be installed in the Spring.

Kent Police

The Police ran a crime prevention stall at Ryarsh Village Hall on Friday 3rd December. Five PCSOs attended and supplied security items such as shed alarms, personal alarms, purse chains and marker pens. The police were able to provide information around personal safety and measures for preventing burglaries and shed break ins. Councillors hope that those who came to the event and had the opportunity to speak directly to the police found this useful. The Parish Council is extremely grateful to the police for their time.

Please continue to communicate and report back on either the Kent Police website for retrospective incidents, suspicious events and anything that needs a Police attendance to call 101 or 999 for a threat to life.

Kent Police supports annual drink and drug-driving campaign

Kent Police will once again be supporting the national drink and drug-driving campaign this festive period.

Throughout December officers from the Roads Policing Unit will be targeting motorists who they suspect are impaired.

In a bid to drive down fatal and serious road traffic collisions, officers will also be requesting roadside breath tests from all drivers who commit a moving road traffic offence, irrespective of whether or not they suspect a drink driving offence.

Drug-wipe sample kits will be used on drivers suspected of being unfit to drive through drugs, which provide an instant roadside indication before the driver is taken to custody to provide a blood sample for further analysis.

Officers will also be carrying out intelligence-led fixed site checks, as well as engaging with motorists on the risks of getting behind the wheel after a drink or taking drugs. Last year's campaign saw more than 460 vehicles stopped and 225 people arrested for being impaired.

My Community Voice - let's talk together

Tonbridge and Malling Ramblers

Our friendly group is one of 13 Ramblers groups in Kent and part of the national Ramblers walking organisation. On our Sunday morning and mid-week morning walks we explore the beautiful countryside within Tonbridge & Malling and surrounding areas. Our group walks are mostly circular with a moderate pace over 5-6 miles. You don't have to be a Ramblers member to try out a couple of walks with us, to help you decide if you'd like to join.

Advance booking is not required; you can just turn up on the day. However, if you are new to our walks, it's a good idea to contact the walk leader beforehand to check that their walk will suit you. More details at: www.tonbridgeandmallingsramblers.org.uk.

We look forward to welcoming you on a walk soon!

Non-members are welcome. Walks start at 10.00 or 10.30 and usually finish at a local pub. There is a short break about half-way through the walk (bring refreshments). For meeting points and walk leader contacts, see the programme link at: www.tonbridgeandmallingsramblers.org.uk .
